Mr. Chas. L. Clarke,
Consulting Engineer,
General Electric Co.
Schenectady, N.Y.

My dear Mr. Clarke:

Mr. Edison wishes me to thank you for the carbon copy of your letter of Sept. 14th to Mr. Charles W. Appleton, which he has read with a great deal of interest.

I told him about that lusty youngster of yours and he wants me to send you his congratulations on this continued evidence of your youthfulness. If my recollection serves me right I extended my own congratulations to you on the night of the banquet.

With kindest regards, I remain,

Sincerely yours,

Wm. H. Meadowcroft
